

# Identity Theft Awareness

**Think you don't need identity theft protection? Think again.**

Identity theft is consistently the number one complaint to the Federal Trade Commission. Rampant data breaches, affecting millions of records, are putting consumers at great risk of identity theft. It can happen to anyone—regardless of your age and income, where you live, or how careful you are.

Restoring your identity on your own can be time-consuming and stressful. After a while, some people give up, leaving them contend with the aftermath of identity theft for years to come, including fraudulent bills, collections activity, damaged credit and even criminal records.

**ProMedica Federal Credit Union is delighted to provide identity theft detection and recovery services as part of our Pinnacle Checking Account at no cost.**

We have partnered with one of the nation's most trusted names in identity theft protection to provide you with access to a comprehensive suite of services to address fraud caused by identity theft if it happens to you or your family member. These services include:
